VISION, MISSION AND CORE VALUES

Mission and Vision Statement

The Mission and Vision of Woodland Christian High School is...

to equip our students for lives of Christian Faith and Service.

Core Values

As a community we value...

- *God's Word, the Bible*
- *Learning rooted in Christian faith*
- *Ongoing commitment to know God better*
- *Living the principles of trust, cooperation, and love*
- *Development of the individual gifts of our students*
- *Excellence in teaching and learning*
- *Stewardship of God's gifts*
- *Spiritually committed, professional teachers*

ADMISSION PROCEDURE

The purpose of this procedure is to ensure that:

- *All applications for admission are dealt with justly, equitably and promptly.*
 - *All applicants for admission understand and support the unique Christian character of this school as described in its documents.*
1. The principal* will acquaint the (new) parents/guardians with the school's basis, purpose, policies, and programs by providing them with a copy of the Admission Policy, Information Handbook and an Application Package.
 2. Parents/Guardians registering students at the school for the first time will submit a completed Application Package, a Course Selection Sheet for the appropriate grade and a \$500.00 non-refundable registration deposit which will be deducted from the tuition fees for the year if the application for admission is accepted. If the application is rejected by the school the deposit will be returned. Current transcripts and/or proof of academic standing will be required for all transfer students.
 3. Parents/Guardians who have students registered at the school will re-register for a new school year by submitting an updated Student Information Form and a Course Selection sheet for the appropriate grade(s). New students from such families will also sign the Student Agreement Form.
 4. The principal* may interview parents/guardians who are new to the school. This interview will confirm that the parents/guardians understand and accept the vision, mission, goals and policies of the school and that the school is able to provide a program of study appropriate to the needs and aspirations of the student and the parents/guardians. This interview will also establish the student's willingness to attend the school.
 5. Parents are expected to contact the Business Administrator, (648-2114 ext. 139) for necessary financial information, e.g. tuition rates, tuition reductions, Tuition Assistance Fund, or the tuition payment policy, and to indicate their willingness to accept the financial responsibility for tuition and other fees.
 6. The principal may, if necessary, with the permission of the parents/guardians, contact the principal of the school formerly attended by the student to clarify any academic issues that may arise in the course of the application process.
 7. The principal will make a recommendation to the Board of Directors for the acceptance or rejection of the application for admission. The Board of Directors reserves the right to deny any application for admission if in its judgment such an admission would not be in the best interests of the school or the student(s) for whom the application is being made.
 8. When decision on the application has been made, the principal will contact the applicant to welcome them to the school community or to inform the applicant that the application has been rejected.
 9. Acceptance of the application will be based on the following factors:
 - a) The availability of an appropriate program and staffing to meet the needs of the student. There may be some instances where the school lacks the resources to serve the student (e.g. Students with exceptional needs, those not able to speak English, or those with exceptional behavioral issues)
 - b) The willingness of the parents/guardians and student(s) to support the school's policies and programs as evidenced by their signature on the Student Enrolment Agreement and the Student Agreement Form included with the Application for Admission.
 - c) The availability of space in the classes required by the student.
 - d) The acceptance by the parents/guardians of the responsibility for paying tuition and other fees.
 - e) The availability of adequate information from the student's previous school to enable the principal to make an informed decision about the student's placement.
 - f) The principal's determination that the student will be able to participate constructively in a structured program of Christian studies.
 10. If an admission is based on false or misleading information, the Board of Directors, upon the recommendation of the principal, reserves the right to withdraw the approval of the application at any time.
 11. If the applicants wish to challenge the decision of the principal on the rejection of an application for admission or on the grade or program placement of a student, they may appeal in writing to an Admissions Appeal Committee consisting of two members of the Board of Directors, one vice-principal and the principal. The decision of this committee will be final.
 12. Applicants who are not residents of Canada will be asked to provide proof of their citizenship or immigrant status in Canada.
 13. International students will be asked to complete the International Student Application form and adhere to the International Tuition Policy.

* Reference to principal may also refer to a designate, or Admissions Officer.

TUITION PAYMENT POLICY

INTERNATIONAL STUDENT TUITION

For an International Student (typically a student whose home address is outside of Canada and is in Canada on a student visa) the tuition amount will be based on the current per family basic tuition, but on a per student basis.

2021-2022 International Student Rate: \$19,350 (CAD) *Includes \$100 Registration Processing Fee

The rates for the following year will be calculated using the current rate plus 3%. These rates will be posted on our public website the fall of every school year.

An Application for Admission Form must be completed and accepted by administration and a minimum of two months (2/10) tuition to be paid* before a “Letter of Acceptance” is issued, which is to be presented to the Immigration authorities for a student visa.

The balance of the tuition will be paid before the start of the new school year. All other payment arrangements are to be prearranged... e.g. monthly payments may be considered but only by preauthorized payments (electronic debit).

If a student visa application is refused, a refund of the deposit may be issued provided the school receives a proof from the Canadian authorities verifying the visa application refusal. A \$500 administrative fee will be withheld on all refunds.

We will notify the Canadian authorities if an International Student leaves Woodland before the program completion date as indicated on the Letter of Acceptance.

*2 month = \$3,870
